

Australian Society of Anaesthetists  
**The Policy Team**

**ASA**

*Australian Society of Anaesthetists*

## Policy Committees

- **Economic Advisory Committee (EAC)**  
Responsible for overseeing issues of economic importance to the profession as well as assisting members in the economic, industrial and private areas.
- **Professional Issues Advisory Committee (PIAC)**  
Provides advice to the ASA Board and ASA members on professional issues, such as personal health and workforce.
- **Public Practice Advisory Committee (PPAC)**  
Focuses on the provision of anaesthesia services in the public sector and for public patients in the private sector.

## Policy Team Activities

- MBS Review
- IFC and out-of-pocket expenses
- Welfare and workforce issues
- Professional Performance Framework
- Member queries

## Stakeholder Engagement

- Consultations with government
- Engagement with Private Health Insurers (PHI)
- Attending forums and major meetings on MBS review
- Developing submissions and position statements on current issues

If you have any questions about the **ASA Policy Team** or the work they and their committees do, please do not hesitate to get in touch:
