Australian Society of Anaesthetists

Be a part of your Society. Join the ASA as a Trainee Member and get the...

Academic advantage

- Anaesthesia and Intensive Care Journal – delivered six times a year
- Exam resources exclusive to members
- Apply for one of three annual \$4,000 scholarships to the Canadian, UK or American societies meeting
- Anaesthesia and Intensive Care Editorial Fellow – awarded annually

Professional advantage

- Advice on careers:
 - VMO vs staff / full-time vs part-time / city vs regional
 - Structuring your practice
 - Employment: how to find it and keep it
- Leadership opportunity on your state committee
- Quarterly Australian Anaesthetist magazine

Personal advantage

- Mentoring from leaders in your profession outside of your training environment
- Automatic enrolment with the ASA Advantage Program
 - Access to financial, travel and automotive benefits
