

TABLE OF CONTENTS

Guest Lectures
 A voyage around Australia's origins ... or how we got here.....35
 J Gascoigne
 Francis Hoeffler McMechan: Founder of the Specialty of Anaesthesiology.....44
 DR Bacon

Notable Names in Anaesthesia
 Nadia du Bouchet (1898-1992): Founder of modern anaesthesia in France.....49
 D Simon
 Dr Heinrich Brat (1867-1909): A forgotten German pioneer of international oxygen therapy, ventilation and anaesthesia technology.....54
 MWM Stratling, S Niggebrügge, C Niggebrügge,
 Claude Bernard and his contributions to anaesthesiology.....65
 M-T Cousin, D Simon
 Noel A Gillespie and an Australian connection.....77
 ME Schroeder

Pioneers of the 1840s
 William James Morton: medical pioneer and son of WTG Morton.....89
 A Aponte-Feliciano, SP Desai, MS Desai
 The impact of the psychiatric diagnoses of William Morton, Horace Wells and Charles Jackson on the discovery and demonstration of ether as an anaesthetic.....92
 RF Martin, A Wassan, SP Desai
 Crawford W Long: Pioneer anaesthetist and pioneer surgeon.....95
 WD Hammonds, LH Campbell
 Reminiscing Horace Wells in Hartford, Connecticut.....97
 A Aponte-Feliciano, SP Desai, MS Desai

Regional Anaesthesia
 Regional anaesthesia techniques in UK anaesthetic practice: 1910-1960.....105
 JAW Wildsmith
 Combined spinal-epidural (CSE) blockage 75 years on.....111
 JA Crowhurst, GM Stocks
 A chronicle of regional anaesthesia.....113
 M Das
 Walter Capelle and Ewald Fulde: The forgotten pioneers of continuous wound infusion.....117
 M Goerig, A Gottschalk, AE Goetz
 The era of caudal labour analgesia.....131
 P Sultan

History of Pain Medicine
 Anesthesiologists and the development of Pain Medicine.....139
 MJ Cousins, DB Carr
 Anaesthesiology, concepts of pain and the development of pain management in the 20th century.....149
 W Witte
 Sympathetic doctors and suffering patients in the humanitarian age.....155
 M Todd
 Pain in Johannes Jesenius' treatise of 1601 - Institutiones Chirurgicae.....163
 F Simon
 Pain and analgesia in Dutch culture: an historical overview of the European context...167
 M van Wijhe

Evolution of Anaesthesia Mortality
 Surviving the 1893 Chicago World's Fair: How eight miles separated the globe's safest and deadliest chloroformings.....175
 GS Bause
 Historical background to the New South Wales Special Committee Investigating Deaths under Anaesthesia (SCIDUA), Australia.....179
 R Holland
 The development in Australia of the reporting of anaesthetic morbidity.....182
 P Mackay

HISTORY OF ANAESTHESIA

VIII

EDITED BY

MICHAEL G COOPER

CHRISTINE M BALL

JEANETTE R THIRLWELL

PROCEEDINGS OF THE 8TH INTERNATIONAL SYMPOSIUM ON THE HISTORY OF ANAESTHESIA

PUBLISHED BY THE AUSTRALIAN SOCIETY OF ANAESTHETISTS

ISBN: 978-0-646-95069-3

Young Historians Session – the Gwen Wilson Prize	
Anaesthesia at a casualty clearing station: Review of an Australian anaesthetist's role in the Great War.....	189
M Graves, MG Cooper	
Advertising in anaesthesia: A reflection.....	200
C Cotaru	
Assessing our footprint: A brief historiography of anaesthesia.....	205
PJ Featherstone	
Synopsis of the development and use of gas cylinders in anaesthetic practice in Australia.....	221
G Kantianis	
The history of Drager's "Pulmotor": A notable early Ventilator and Resuscitation Device, and its international legacy.....	232
C Niggebrügge, MWM Strtling	
Australian women in anaesthesia.....	245
Z Keon-Cohen	
Experimental medical studies in the 15th century by Serafeddin Sabuncuoğlu.....	256
R Babazade, I Basagaoglu, P Bozkurt-Sutas, Z Salihoglu	
History and development of the laryngoscope.....	260
M McDougall	
What I learned about anaesthesia through five million books.....	270
R Cheung	
Informed consent in research: A half-century after Beecher.....	277
DK Jagannathan, SP Desai	
Journey to the modern bite block: A look at early devices.....	286
M Coleman	
Death and the hospice.....	294
S Akbas, P Bozkurt-Sutas	

Military Anaesthesia

Biological and chemical warfare: An historical perspective.....	301
DR Bacon	
Anaesthesia and the wounded in the Australian and New Zealand Army Corps, Gallipoli, World War I.....	309
GP Morris, MG Cooper	
Dominique Jean Larrey (1766-1842): Surgeon of the Great Army of Napoleon and the flying ambulances.....	318
D Simon	
IK Brunel's Crimean War Hospital.....	321
CG Merridew	
The sinking of the Emden: the surgeons' experiences on HMAS Sydney during World War I.....	330
JM McDonald, EM Todd	
Gas-related injuries at Base hospital #28 during World War I.....	339
AL Kovac	
A portable anaesthetic machine developed during the Normandy landings.....	346
D Mitchell, EG Bradshaw	
The walking blood bank – past and present (and future?).....	349
CJ Kucik	

Drugs and Chemistry

Discovery of oxygen 1553-2011.....	353
JW Severinghaus	
Francois Amilcar Aran (1817-1861) and anaesthesia.....	355
M Zimmer	
"Muscle Relaxants" by Pierre Huguenard: The first French educational video on this topic (1950).....	364
J-B Cazalaa, J Hotton	
1848 and a pharmacologic tale of two cities.....	369
LE Mather	
Apolioni Preterre's publications reflect the history of nitrous protoxide in France in the late 19th century.....	383
J Hotton	
Pretty poisons to powerful anesthetics: Selected botanicals from the Wood Library-Museum of Anesthesiology.....	392
SA Vassallo	
Procaine hydrochloride: The first intravenous local anaesthetic.....	394
A Bacon, DR Bacon	

The air that we breathe ...

Orval Cunningham: The man, his machine and his tank in Kansas City and Cleveland.....	401
AL Kovac, GS Bause	

The trachea – a personal audit spanning thirty years.....	407
A Milner	
The history of cricoid pressure - "Sellick's manoeuvre": an inappropriate eponym....	409
MWM Stratling, S Niggebrügge, C Niggebrügge	
Forward from the first inroad into alveolar modelling: Riley-Cournand analysis and beyond.....	421
B Baker	

Anaesthetic equipment – was it always simple?

The history of "modern" anaesthesia technology and its (re-)introduction to Europe after World War II: A re-assessment based on evidence from the Drager archives....	441
MWM Stratling	
The portable anaesthetic machine.....	443
R Holland	
Jet injection in anaesthesia: A quick, safe, well-tolerated, effective alternative to needles.....	448
HM Koenig	
The Clover Bag: How relevant is it now?.....	458
R Morris	
Lambert Hepenstal Ormsby: His ether inhaler and its arrival in New Zealand.....	462
AJ Newson	
Dr Otto Roth (1863-1944): A re-assessment of the wide spectrum of his pioneering contributions.....	472
MWM Stratling, S Niggebrügge, C Niggebrügge	
Are we leading or being led ? Anaesthesia and relationships with industry.....	485
DJ Wilkinson	
Elmer McKesson and the Toledo Technical Appliance Company/McKesson Appliance Company.....	491
PJ Featherstone	
Foregger, Troup and the Australian Midget.....	500
CM Ball	
The role of the rep or the importance of drug and trade representatives.....	502
J Horton	

Antipodean Anaesthesia and Analgesia

Towards an analgesic sleep: Vignettes in the history of Australian anaesthesia.....	509
JH Pearn	
Richard Schomburgk: gardener, explorer, farmer.. From Amazonian curare to Australian wheat.....	510
LJ McBride	
Mark Cowley Lidwill and intracardiac adrenaline. Founder of anaesthesia and cardiology, Royal Prince Alfred Hospital, Sydney.....	518
B Baker	
Medical diploma fraud in the 19th century: Was Dr Pugh a beneficiary?.....	527
JD Paull	
How Joseph Banks was the impetus to materia medica, including drugs of anaesthetic importance.....	534
AG McKenzie	
Pituri – a psychoactive drug used by Australian Aboriginal people prior to European contact.....	540
TE Loughnan, ME Loughnan	

Developments in resuscitation and research

The use of carbon dioxide in resuscitation.....	545
D Fahey	
Research networks in Britain 1950-2000.....	553
MJ Harrison, MJ Willett	
Early respiratory care in infants: First success with prolonged intubation.....	555
B Brandstater	
Subjects of interest to British academic anaesthetists 1950-1960.....	562
MJ Harrison	
Bernhard Aschner and Giuseppe Dagnini: Discoverers of the oculocardiac reflex....	564
M Goerig, C Trepte, AE Goetz	

Anaesthesia and Antiquity

The 'biblical method' of ventilation – fact or fiction? A critical re-appraisal of the evidence and methodology.....	569
MWM Stratling, S Niggebrügge, C Niggebrügge	
Anaesthetic drug Murkid used by Serafeddin Sabuncuoğlu in the 15th century and its influence on the advance of surgery.....	579
I Basagaoglu, Z Salihoglu, R Babazade, P Bozkurt-Sutas	

The Hippocratic physician-patient relationship – lessons for contemporary medicine.....	585
H Askitopoulou	
References to "Mekon" and "Mandragoras" in Greek non-medical classical texts.....	596
H Askitopoulou, E Astyrakaki, M Mathioudakis, V Nyktari	
Significance of sleep in Greek-Roman antiquity: Versions of myth, aspects of reality...	606
H Askitopoulou, E Astyrakaki, A Papaioannou	

Society, Culture, Education and Anaesthesia

Memory, consciousness and the anaesthetist.....	619
JJ Carmody	
Photography in operating theatres 1846-1946.....	627
RP Haridas	
Anaesthesia and crime.....	633
CJ Bacon, DR Bacon	
Anaesthetic insight into Nineteen eighty-four	637
AG McKenzie	
Operating theatre museums.....	643
RP Haridas	
Managing a digital archive of anaesthesia history and an actual anaesthesia history museum founded by the Japanese Society of Anaesthesiologists.....	647
H Makino, T Katoh, S Sato	
Anaesthetic considerations for "The Big Three"	650
AG McKenzie	
Ether dome revisited: Incorporating the past in the present.....	657
DK Jagannathan, SP Desai	
A select history of the professional standards of the American Board of Anesthesiology.....	664
DB Waisel	
Teaching the history of medicine as a part of the general history of science.....	669
D Balalykin	

Developments in Intensive Care Medicine

The birth of intensive care in Newcastle, Australia.....	679
R Kerridge	
Evolution of perinatal intensive care over fifty years.....	688
PAL Lancaster, BJ Duffy	
Carl Clemmesen and barbiturate intoxication – was there Intensive Therapy/Care before Copenhagen's Blegdam polio treatment in 1952?.....	696
RV Trubuhovich	

Anaesthetic Developments in Individual Countries

The emergence of anaesthesia as a medical specialty in the British versus the German Empire.....	701
JS Poll	
The history of anesthesia in Nepal: From nothing to specialty care in fifty years!.....	704
SP Acharya, MN Marhatta, R Amatya	
The introduction of general anaesthesia into Dutch urban society.....	710
J Hofland, J Rupreht	

The Geoffrey Kaye Symposium

Mortality and anaesthesia: The contributions of Geoffrey Kaye.....	725
RN Westhorpe	
Hippocrates comes to ANZCA.....	731
B Brandstater	
"No experience required": a historical look at the teaching of anaesthesia in Victorian Britain.....	736
CM Ball	
Teaching anaesthetic history in Victoria, Australia.....	746
TCK Brown	
Dr Pugh, hydrocyanic acid, phthisis, asthma, bushfire and Dr Smith's fatal obstetric mishap.....	753
JD Paull	
Horst Otto Stoeckel.....	760
AL Kovac	
Recollecting all that collecting: twenty-five years of curating for the Wood Library-Museum.....	767
GS Bause	
Bulfinch's Ether Dome: Its Place in Anesthesia History.....	772
SA Vassallo	
Index of Names	773
Index of Terms	783
